A1	Windin' your way down on Baker Street Light in your head and dead on your feet Well, another crazy day – You'll drink the night away And forget about everything This city desert makes you feel so cold It's got so many people, but it's got no soul And it's taking you so long – To find out you were wrong When you thought it had everything	A – D/a   A – D/a     A – D/a   A – D/a – A     Em7   G     D – G/d   D     A – D/a   A – D/a     A – D/a   A – D/a – A     Em7   G     D – G/d   D
Bridge1	You used to think that it was so easy You used to say that it was so easy But you're tryin' – You're tryin' now Another year and then you'll be happy Just one more year and then you'll be happy But you're cryin' – You're cryin' now	Dm7   Am7     Dm7   Am7     C   G   D   %     Dm7   Am7     Dm7   Am7     C   G   A   F/g

A2	Way down the street there's a lad in his place He opens the door he's got that look on his face And he asks you where you've been You tell him who you've seen And you talk about anything He's got this dream about buyin' some land He's gonna give up the booze and the one-night stands And then he'll settle down in some quiet little town And forget about everything	A – D/a   A – D/a     A – D/a   A – D/a – A     Em7     G     D – G/d   D     A – D/a   A – D/a     A – D/a   A – D/a – A     Em7   G     D – G/d   D
Bridge2	But you know he'll always keep moving You know he's never gonna stop moving 'Cause he's rolling – He's the rolling stone And when you wake up it's a new morning The sun is shining it's a new morning You're going – you're going home	Dm7   Am7     Dm7   Am7     C   G   D   %     Dm7   Am7     Dm7   Am7     C   G/h   A   F/g
