A1 Whenever I see your smiling face
I have to smile myself
Because I love you
And when you give me that pretty little pout
It turns me inside out
There's something about you, baby – I don't know

With the girl next door
But that was long before I met you
Now I'm sure that I won't forget you
And I thank my lucky stars
That you are who you are
And not just another lovely lady
Sent down to break my heart
